Subject: Convey my greetings to the father

In the name of Allah the Gracious the Merciful.

"He is Allah, besides Whom there is no god; the King, the Holy, the Giver of peace, the Granter of security, Guardian over all, the Mighty, the Supreme, the Possessor of every greatness Glory be to Allah ..."

There is no god but Allah Muhammad is Allah's Messenger.

Peace and Allah's mercy and blessings be on you.

My brother Aba al-Ayyubi,

How beautiful is the news that reached us from you directly and about you from the brother Hussein. Already you impressed him in your declaration of your faith in Allah be He exalted and in His Messenger and the seal of the prophets, Allah's blessing and peace be upon Him. Truly your ardor for the religion and your obedience to our Prophet, Allah's blessing and peace be upon Him and your intelligence were apparent to the brother Hussein. He also informed us that you are indeed and as we expected truthful, sincere, and disciplined, and capable of achieving important things. We search for this genuine kind of the young men so that we entrust them with us for the sake of Allah and His Messenger, Allah's blessing and peace be upon Him. We are very optimistic for your support to the cause and for performing the missions which Allah facilitates for us. Even that the Messenger Himself, Allah's blessing and peace be upon Him, and the Sheikh Usama will be proud of you in this world and intercede for you on the Day of Judgement.

Your actions and your intentions will be good deeds in your balances. And did not Allah, Almighty say:

"So their Lord accepted their prayer: That I will not waste the work of a worker among you, whether male or female, the one of you being from the other; they, therefore, who fled and were turned out of their homes and persecuted in My way and who fought and were slain, I will most certainly cover their evil deeds, and I will most certainly make them enter gardens beneath which rivers flow; a reward from Allah, and with Allah is yet better reward."

Allah Almighty has spoken the truth

My dear, then know that we relied on Allah, Almighty, and we know and the brother Hussein

testifies that your personality and your capabilities and your desires seem wonderful. So we will continue the communication with you and we will dispatch the brother Hussein also (after the departure of the father in the safety Allah willing) or if it became impossible then another brother for followup. As you know we move with care and caution and we train and we prepare. And did not Allah Almighty say:

"And prepare against them what force you can and horses tied at the frontier, to frighten thereby the enemy of Allah and your enemy and others besides them, whom you do not know (but) Allah knows them; and whatever thing you will spend in Allah's way, it will be paid back to you fully and you shall not be dealt with unjustly."

Therefore patience O my brother. I wish you be endowed with the patience and the discipline and that you keep our information to yourself and to Allah only. Remain hidden for what is in your intention and avoid violating the laws of the area until Allah permits for us to bring down a strong strike on the infidels and enemies of the Muslims. And did not, Almighty, say in His book also:

"Most surely man is in loss, except those who believe and do good, and enjoin on each other truth, and enjoin on each other patience."

Finally my dear, there is a matter that worries us somewhat and it is none other than the methods of our communication and your use of another person's computer. We like that our methods of communication to be more secure than they have been until now. So I hope that you follow what the brother Hussein told you about opening a new account for the secure e-mail. Also we will speak with you about using the computer and we may have a wonderful solution for that and it will impress you very much Allah willing. We will inform you about this later.

At the end we wish for you and for the respectable father good times and we may not hear from you or write to you during the period of the visit but we will resume the communication soon after the departure of the father.

Pray for us and for the success of the cause and the mission as we also pray [UI] for your safety and your success.

Your brother: Rafiq
